

## Safety rules to prevent Covid 19

We care about safety and health of our guests and employees; therefore, in order to prevent the spread of Covid-19, the following activities are introduced in “Baltic Beach Hotel”:

- Guests arriving at the Baltic Beach Hotel & SPA must wear face masks in all public areas, as well as keep 2 meter distance. Guests who do not wear face masks will be denied the service.
- In all places, where services are received (hotel, SPA, Powerlab Fitness reception, restaurants) hand sanitizers are available.
- Hotel places are cleaned and disinfected regularly, paying special attention to the surfaces touched by people – door handles, stair railings, elevator buttons, reception desks, and so on;
- Guests are accommodated in the air-conditioned and disinfected rooms, where no guest has been accommodated in last 24 hours;
- Restaurant services:
  - Buffet style breakfast is provided, where guests can choose food for take away. Room service breakfast is available upon prior reservation.
  - For guests, staying at the hotel, room service is available or dining options at separate venue according guest choice.
  - For guests, not staying at the hotel, restaurants offer special take-away menu or delivery option (Jurmala territory).
- Restaurant employees serve guests using gloves and face masks;
- In order to provide safe environment and not to exceed the maximum allowed number of people in the pool and Powerlab Fitness (15sqm per person), visits to these areas are allowed only by appointment.

- Appointment time starting from 7.00, every next 2 hours (last appointment time is 19:00)
- Powerlab Fitness provides only private training sessions. Please come exactly before the training session starts and leave the gym immediately after the training session is finished, if possible don't be in the shower or dressing rooms for too long.
- The rooms of Spa centre and beauty centre are ventilated and disinfected after every next treatment.
- We monitor the health of our employees to ensure a safe environment in the hotel.

Please do not visit Baltic Beach Hotel & SPA if you have any symptoms of cold or signs of respiratory infections, or if you are required to self-isolate.

Baltic Beach Hotel & SPA does not provide self-isolation services for persons subject to quarantine due to COVID-19, persons identified as COVID-19 patient contact persons, or persons returning from abroad.

Let's be responsible for our own health and the health of others!
