

BLACK SEED OIL

60 ml 29.00 €

125 ml 49.00 €

Edible plant-based oil, unrefined

Powerful immune modulator. Treatment and prevention of various illnesses, including oncological disorders, high blood pressure, thyroid disease, as well as liver, kidney, and gastrointestinal disorders, and respiratory and skin diseases. It also shows antibacterial and antiviral effects.

Use: 1 tsp in the morning (course of 1–3 months). In case of a skin condition, apply directly to the affected areas.

Ingredients: More than 100 active ingredients and approx. 50 catalysts for natural cell biosynthesis – saturated and unsaturated fatty acids, lipase, and tocopherols. Beta-antioxidants – sestrin, nigellon, and thymoquinone.

RUCOLA SEED OIL

60 ml 19.00 €

125 ml 39.00 €

Edible plant-based oil, unrefined

Aphrodisiac and male fertility booster. Enhances metabolism, helps with weight loss, regulates salt and water balance, and strengthens joints and cartilage tissue. Nourishes the hair follicles. Excellent remedy for hair loss.

Use: 1 tsp 1–3 times a day. For external use as hair mask, apply 30 minutes prior to a hair wash.

Ingredients: Saturated and unsaturated fatty acids, steroids (β -sitosterol, campesterol), and thioglucosides. A, C, E, K, and B group vitamins. Iron 3.6 g (20% DV).

ALOE VERA LOTION

60 ml 19.00 €

Moisturizing lotion for hair

Extra moisturizing lotion for skin for treating sunburn and domestic burns. Accelerates skin regeneration and improves wound healing. Aloe vera has been found to have anti-inflammatory properties. Reduces rash and skin irritation. Rich in antioxidants. Inhibits inflammation. Reduces rash caused by sun exposure and helps to prolong your tan.

Use: Apply to clean skin. Use before and after exposure to sun. Apply locally to relieve skin irritation caused by burns and insect bites.

Ingredients: Allantois, antioxidants, vitamins C, E, and B, and beta-carotene.

PUMPKIN SEED OIL

125 ml 39.00 €

Edible plant-based oil, unrefined

Remedy for chronic prostatitis and benign prostatic hyperplasia. Boosts the metabolism. Helps balance the liver, kidney, prostate gland, digestive tract, and bile duct functions. Improves the functioning of the genitourinary system. Possesses antihelmintic properties.

Use: 1 tsp 2 times a day.

Ingredients: Saturated and unsaturated fatty acids, phospholipids, phytosterols, chlorophyll, carotenoids, flavonoids, vitamins A, E, F, B1, B2, B3, B6, B9, P, C, and K, and more than 50 different microelements.

LETTUCE SEED OIL

125 ml 39.00 €

Edible plant-based oil, unrefined

It has demonstrated a pronounced sedative effect, possesses anxiolytic properties, reduces sleep quality problems, anxiety, and stress. It is used for depression, inflammation of nerve endings, and phantom pain. It also lowers blood cholesterol levels and prevents atherosclerosis and hypertension.

Use: 1–3 tsp in the course of the day.

Contraindications: Do not use while pregnant and breastfeeding.

Ingredients: Glycocol, enzymes, lipases, iron, potassium, calcium, magnesium, phosphorus, iodine, vitamins A, E, B1, B2, B6, C, PP, P, and K, lactuin, carotene, lactone, xanthophyll, decoys, and resins.

JOJOBA OIL

125 ml 39.00 €

100% natural Jojoba oil (cosmetic)

For all skin types. Stimulates collagen production and slows down the appearance of aging. Regenerates, moisturizes, and nourishes the skin and increases its elasticity and firmness. Helps reducing wrinkles, stretch marks, scars, and cellulite. Hair care.

Use: Apply to the face and body. To restore the hair structure, spread it throughout the whole length of hair. Add to cosmetics.

Ingredients: Proteins, potassium, calcium, magnesium, iron, phosphorus, sodium, and zinc. Folic acid, folinic acid and other amino acids, enzymes, and minerals. Beta-antioxidants – sestrin, nigellon, and thymoquinone.

ARGAN OIL

60 ml 39.00 €

100% natural Argan oil (cosmetic)

Softens, nourishes, refreshes, and moisturizes the skin, preventing it from drying out and peeling. Restores the lipid balance and lessens the appearance of wrinkles. Stimulates the natural production of collagen and elastin. Easily absorbed and does not irritate the skin. Stimulates hair growth and leaves the hair smooth and silky.

Use: Apply small amount of oil on cleansed skin with gentle movements. When using as a hair moisturizer, apply the oil to the roots, spread it throughout the whole length of hair, and leave it in overnight.

Ingredients: Tocopherols (vitamin E), phenols, carotenes, squalene, and fatty acids. Caffeine, oleuropein, vanillic acids – tyrosol, catechol, resorcinol, epicatechin, and catechin.

PAIN RELIEF OIL COSMETIC

125 ml 49.00 €

Massage & cosmetic oil

Powerful blend of pain relief oils that helps reducing pain associated with arthritis, fibromyalgia, sports injuries, osteochondrosis, and gout. It has anti-inflammatory and pain-relieving effects in case of inflammation of nerve endings.

Use: Apply locally to the swollen joints to improve the range of movement and to reduce the symptoms of arthritis and rheumatic pain. No side effects. No warming effect.

Ingredients: Common almond oil 37%, ball-fruited eucalyptus oil 14%, ash eucalyptus oil 12.5%, peppermint oil 19%, mandarin oil 7.5%, red mandarin oil 5%, and lemon oil 5%.

ANTI WRINKLE OIL FOR FACE

60 ml 39.00 €

Massage & cosmetic oil for face

Unique blend of oils made using ancient recipes. Stimulates the collagen synthesis and improves skin firmness and elasticity. The high concentration of antioxidants prevents free radical induced tissue damage and reduces premature skin aging. Deeply moisturizes and nourishes the skin and balances the sebum production. Improves skin cell turnover and lessens the appearance of wrinkles.

Use: Apply to cleansed skin mornings and evenings with gentle movements. Treatment for 3 weeks followed by treatment with Jojoba oil, Argan oil, or almond oil for 1 week.

Ingredients: Sesame oil 15%, rucola seed oil 15%, lettuce seed oil 10%, castor oil 10%, Argan oil 15%, wheat germ oil 20%, and Jojoba oil 15%.

HAIR FOOD OIL

125 ml 39.00 €

Cosmetic oil for hair

Oil blend for damaged, colour-treated, or bleached hair, as well as fine hair. Prevents hair loss and split ends. Stimulates hair growth, increases volume, restores hair structure, and provides natural shine. Repairs damaged hair when used on a regular basis.

Use: Use a small amount of oil and work your way across the scalp. Afterwards spread it through the whole length of hair from the roots to the ends. Leave the hair mask on for 30 minutes to 2 hours.

Ingredients: Olive oil 42%, geranium oil 20%, frankincense oil 18%, turpentine oil (refined turpentine) 10%, and medicinal jasmine oil 10%.

SANDAL OIL

125 ml 39.00 €

Sandalwood massage & cosmetic oil

It has an anti-inflammatory, antiseptic, spasmolytic, analgesic, and warming effect. It calms the nervous system and is used to treat urinary infections, chest infections, and chronic bronchitis. It also helps reducing the appearance of varicose or spider veins. Remedy for rheumatism and back and joint pain. For all skin types, with lifting effect.

Use: Used for chest and back massage, compresses, and body wrap. Apply to clean skin. For cracked, dry, or inflamed skin, it is recommendable to mix the oil with a lotion or cream prior to the application.

Ingredients: Cis isomers of α -santalol and β -santalol, α -santalol and β -santalol, and trans-isomers of α -bergamotene.

CAMEL MILK LOTION

125 ml 29.00 €

250 ml 49.00 €

100% natural cosmetic cream

Contains many useful ingredients, such as lanolin (soothes the skin), proteins (moisturize, nourish, and restore the skin), carotene and B group vitamins (soften and moisturize the skin), amino acids (leaves the skin smooth and elastic), collagen, elastin, B group vitamins, and vitamin C (reduces premature skin aging and dark circles). The cream provides protection against UV radiation and is used to treat sunburn and allergies. For all skin types.

Ingredients: Camel milk, vitamins C, A, B1, B2, and B12, immunoglobulins, natural carotene, and minerals.

MARROW FEMALE CAMEL CREAM

BLACK SEED CONDITIONER

500 ml 49.00 €

Hair conditioner

Antiseptic and strengthening effect on the hair. Removes dandruff and prevents the hair from getting greasy. The microelements included in the composition narrow the pores and reduce the activity of sebaceous glands. Used to treat fungal infections and scalp irritation. Prevents hair loss, brittleness, dryness, and split ends.

Use: After hair wash apply to the hair and rinse off after 7–10 minutes.

Ingredients: pH regulator, Black Caraway seeds, protein, keratin, essential oils.

JOJOBA CONDITIONER

500 ml 49.00 €

Hair conditioner

The active ingredients cover each hair with protective coating, thus allowing to retain the necessary moisture. Repairs damaged hair and split ends, prevents the hair from getting greasy, prevents all damage, and triggers the protection functions.

Use: After hair wash apply to the hair and rinse off after 7–10 minutes.

Ingredients: pH regulator, Jojoba oil, protein, keratin, essential oils.

WHEAT GERM CONDITIONER

500 ml 49.00 €

Hair conditioner

Strengthens and nourishes the hair, as well as improves hair growth and volume, and adds shine. Used to fix curls, to improve their strength and elasticity, and to protect them against any negative effects. Stimulates hair growth, provides protection against UV radiation, and repairs damaged hair from the roots to the ends. Prevents split ends and strengthens hair roots.

Use: After hair wash apply to the hair and rinse off after 7–10 minutes.

Ingredients: pH regulator, wheat germ oil, protein, keratin, and essential oils.

THE COBRA FAT CONDITIONER

500 ml 59.00 €

Hair conditioner

Recommended for dry, porous, and damaged hair. Treatment and prevention of hair loss. Stimulates hair growth, improves blood circulation, nourishes hair follicles, strengthens the roots, smoothens and restores the hair structure, removes static from the hair, and prevents split ends.

Use: After hair wash apply to the hair and rinse off after 7–10 minutes.

Ingredients: pH regulator, cobra fat oil, protein, keratin, and essential oils.
